

Job description

Students Work Force for Event assistance

Event: CIMAC 2023 in Busan South Korea

Date: 12.-16. June 2023

Every three years CIMAC holds a major international congress and exhibition in one of its member countries. This is a unique opportunity to keep up to date with what is happening in the internal combustion engine industry.

Job brief: We are looking for students who are sociable, resilient and have an interest (or experience) in large international events. We expect the student to master English at a conversational level and to be fluent in Korean. This is an excellent way to obtain job experience at an international level!

Responsibilities:

- Registration Assistance
- Airport Welcome Desk
- Admission Control Main Entrance
- Admission Control Session Room
- Session Room Assistance
- Distributing Congress Bags to Participants
- Coordination Bus Shuttle to and from Welcome Reception location
- Assistance Guide for Morning Jogging
- Assistant to official guides during Technical Tours
- Packing Congress Bags, Set-up Press Stand, Helping Preparing Badges
- and many more...

Timeframe:

- 11. June: Briefing for all students, Airport Welcome Desk
- 12. June: Registration Assistance, Airport Welcome Desk
- 12.- 15. June: Congress
- 16. June: Technical Tours
